.....  
I understand that attendance at a dog obedience class is not without risk to me, members of my family, or guests who may attend, or to my dog because some of the dogs to which I/we will be exposed may be difficult to control and may cause injury even when handled with the greatest of care. As further consideration for, and as an inducement to, the acceptance of my dog into the obedience class, I hereby agree to indemnify and hold harmless, any instructors from any and all claims by any member of my family or any other person accompanying me to any training session or function or while on the grounds or the surrounding area thereto as a result of any action by any dog, including my own. Additionally, I hereby waive and release Companion Dog Club and any agents from any and all liability of any nature for injury or damage which I or my dog may suffer, including specifically, but without limitation, any injury resulting from the action of any dog, and expressly assume the risk of such damage or injury while attending any training session or other function at the training site, or on the grounds or the surrounding area thereto.
